	Sugar content	3

ABOUT THIS WINERY

Specializing in Bone Dry Riesling and Cool Climate Pinot Noir from Seneca Lake.

Our goal is for our wines to reflect the place that they come from, because this is where the pleasure is. When you smell a wine, you should be transported to its origins and see the landscape. It should relate to good memories, and provide a strong feeling of identity. This is why we try to listen, be soft and transparent in our winemaking.

TASTING NOTES

licorice - apricot - chamomile

PRODUCT NOTES

Our Classique is our most important wine because it reflects our work on a larger scale. Sixteen different lieux-dits (single vineyards), each vinified separately, are the basis of this wine and represent the DNA of Classique. This wine is like you and me—we are individually unique, but we represent all of our ancestors at the same time. We carry their traits.

PRODUCTION NOTES

Soils: shale, gravelly loam and clay with limestone. Fermented in 70% French oak barrels and 30% stainless steel tanks.
