### TASTING NOTES

Very clear, bright yellow with lemon highlights. Elegant and very intense, a clearly defined nose of white flowers such as acacia, fruit, and a light touch of honey combine with a background of spices added by noble French oak to make an elegant ensemble with its own personality. Notes of herbal tea dominate with a glycerine texture. It finishes on sweet flavors well balanced with natural acidity that gives it freshness and longevity.

### PRODUCTION NOTES

Alcoholic fermentation starts in stainless steel tanks, giving us complete control of the temperature and other technical aspects. When the alcoholic fermentation has almost finished, the wine must is racked into French oak barrels where alcoholic fermentation is completed. Aged for 12 months on its lees in French oak barrels giving a glycerine texture and sweetness. Lightly toasted barrels from different cooperages
