INFORMATION SUR LE DOMAINE

The Mastroberardino family, leaders in Italian viticulture, are largely responsible for the revival and elevation of Irpinian and Campanian winemaking post WWII. Their efforts ignited a resurgence in quality red and white wine production in all of Southern Italy. Working primarily with Campania's ancient, native varietals, Fiano, Greco, and Aglianico, Mastroberardino has resuscitated would-be extinct grapes into world class varieties.
