### ABOUT THIS WINERY

The Righetti vineyards, strategically located in Valgatarà, in the heart of Valpolicella, have been a family property since their foundation. Strategically located in Valgatarà, a suburb of Marano, in the heart of the Valpolicella wine region, the original winery was built in 1909 by Angelo Righetti.

### TASTING NOTES

Dress of ruby tint of good intensity. Quite powerful nose with accents of candied cherry, chocolate and vanilla. This red expresses a good acidity and has coated tannins. On the palate, its ample texture ends in a rather sustained finish.

### PRODUCTION NOTES

This wine is a traditional blend of corvina, rondelle and molinara, which have undergone a second fermentation on the Amarone presses (a process called ripasso). This process gives valpolicella additional structure and flavor. After this second fermentation, the Campolieti is aged for 12-14 months in French barrels and 20hl oak tuns.
