#### ABOUT THIS WINERY

The foundation of the winery was laid in 1679. For more than 300 years, mixed farming had been practiced in the flatlands and on the terraces around Langenlois, with viticulture playing only a minor role. It wasn't until the second half of the last century that the farmers working in the region began focusing exclusively on winegrowing, drawing on a wealth of experience that has been passed down from generation to generation.
