ABOUT THIS WINERY

At Moselland quality begins right in the vineyard. Our wine-growers are experts in vineyard management, from planting to harvesting, thus they produce grapes of the highest quality which are delivered to our pressing and collection stations right next to the vineyards. Here our highly-qualified staff take over the vinification process using the most up-to-date equipment.

TASTING NOTES

This elegant Riesling has an aromatic nose that reveals notes of bright lime. It is rich in texture and dry with a full mouth and a perfect balance between fruity and crunchy.

Food pairings: It goes well with chicken dishes and Asian cuisine, but can also be enjoyed on its own as an easy drinking summer wine or aperitif.

Serve well chilled.
