ABOUT THIS WINERY

It is at the very beginning of the 80's that Philippe Millet gives birth to Domaine Millet. Today our estate has 14 hectares, 9 of which are AOC Petit Chablis, 4 hectares are AOC Chablis and 1 hectare is planted with AOC Chablis 1er Cru Vaucoupin. The will which animates us every day is to cultivate beautiful vines in order to produce beautiful Chardonnay grapes to offer wines with fine and elegant aromas, a reflection of the Chablisian terroir.

TASTING NOTES

Light yellow color with golden reflections, is limpid and brilliant, the nose is simple but delicate. A lot of freshness comes out of the glass as well as nice notes of fruits and flowers. The attack in the mouth is very supple and the wine covers the mouth in a smooth and smooth way. Yellow peach and mango aromas, followed by a slightly peppery flavor. On the finish, and a nice touch of freshness. A perfect balance.

Food pairings: Excellent with seafood and shellfish such as, Rockefeller ...

PRODUCTION NOTES

Once we believe that the grapes have reached full maturity, the harvest begins. which, depending on the vintage, takes place in September or early October. After pressing, we vinify the juice only in stainless steel or enamelled steel tanks to preserve the aromas of the Chablisian terroir.
