ABOUT THIS WINERY

When the passion for innovation is combined with respect for tradition, Conde Valdemar is born, producing wines that showcase the virtues of this land: the land of the Rioja. Combining the ability to look to the future with keeping our history alive. True to our most traditional and timeless line. Wines that persist in time, that blend the clear and clean fruit with a balanced power and structure, while underscoring the freshness of this area.

TASTING NOTES

This wine displays an attractive red cherry colour with a garnet rim. It has complex aromas of spices, balsamic touches of cedar and eucalyptus reminiscent of Atlantic woods, as well as hints of tobacco. Elegant, very well balanced, extremely expressive and showing a fine character.
