ABOUT THIS WINERY

Situated in the heart of the Gigondas appellation, Saint Cosme is a historical domain of a unique kind. Acquired in 1490, the property has seen 15 generations of winegrowers. It includes 22 has of old vines with an average age of 60 years. Saint Cosme is located exactly at the crossroads of two geological faults, in a cold and late microclimate: balance, freshness and finesse characterize the wines.
