ABOUT THIS WINERY

At Moselland quality begins right in the vineyard. Our wine-growers are experts in vineyard management, from planting to harvesting, thus they produce grapes of the highest quality which are delivered to our pressing and collection stations right next to the vineyards. Here our highly-qualified staff take over the vinification process using the most up-to-date equipment.

TASTING NOTES

This Pinot Noir is a medium-bodied red wine with blackberry aromas and a velvety texture.

Perfect with pizza or pasta and also very enjoyable on its own.

Serve slightly chilled.

PRODUCTION NOTES

Gentle pressing, strict purification of musts, fermentation with selected yeasts under temperature controlled conditions, storage partly in stainless steel tanks and partly in traditional German non-toasted oak barrels until bottling.
