ABOUT THIS WINERY

With a history that began in 1840 and comes from a long line of winegrowers, the Zimmer house, now run by Régine and her daughters, Laure and Carole, is located in the heart of Riquewihr, a town on the Alsace wine route in eastern France. An independent winemaker, the estate has 9 hectares of vines and produces wines in the respect of quality work, in order to ensure the authentic expression of the terroirs.

TASTING NOTES

It is characterized by a distinct bouquet of flowers and ripe fruit (peach and apricot). It is heady, well built, particularly smooth and has the perfect balance of freshness and delicacy. These characteristics often make him a good candidate replacing red wines

Food matching : Foie gras, fish or shellfish, white meat, exotic cuisine, also an excellent aperitif.

PRODUCTION NOTES

Traditional vinification in stainless steel tank, fermentation temperature of 19°C.
