TASTING NOTES

Extremely fruity nose, evocative of strawberry, blackcurrant and mild spices.
A well-balanced, mineral wine with good vivacity.

PRODUCT NOTES

It is in Burgundy that the Pinot Noir grape has its origins though it has become renowned throughout the world as being synonymous with elegance and finesse. The selection and vinification of the grapes from two "sub-regions" allow us to showcase the diversity of the terroirs and the characteristics that give this wine its complex aromas and flavours.

PRODUCTION NOTES

Vinification takes place in temperature-controlled tanks (28-30°C) with punching of the cap. The wine is then aged in tanks and oak barrels (20-30%) for 8 to 12 months.
