9	Region	Castilla y Leon
##*	Varietal(s)	Verdejo 100 %
%	Alcohol percentage	11%
<b>%</b>	Colour	White

## **TASTING NOTES**

Clean, bright, with amber yellow colour and salmon shades. Fresh acid fruit aromas and citric notes, pink grapefruit. On the palate the wine is light and smooth something that at the same time contrasts with the presence of the tannins and the powerful but balanced acidity. Rich, full-bodied, fresh and with a citric and vegetal character obtained from the contact with the skins. Long aftertaste

## **PRODUCT NOTES**

The grapes for this organic and vegan wine are sourced from vineyards grown according to organic growing criteria in a balanced, caring and sustainable way. The vineyard's soils play a major role which favour rapid assimilation of reincorporated organic matter. This enables full terroir expression.

## **PRODUCTION NOTES**

he grapes are hand-harvested. After a gentle pressing, the juice is fermented with their skins. Fermentation at controlled temperature (160-180C), with daily pump-ups for the juice to be in contact with skins and to get this characteristic fresh, citric aroma.

After fermentation, vatting takes place for 2 months making a gentle pump up per day. This allows us to extract some tannins, somethingunique in this kind of elaborations.

This wine has also made spontaneous malolactic fermentation.

- **88 Points** - James Suckling
