ABOUT THIS WINERY

The foundation of the winery was laid in 1679. For more than 300 years, mixed farming had been practiced in the flatlands and on the terraces around Langenlois, with viticulture playing only a minor role. It wasn't until the second half of the last century that the farmers working in the region began focusing exclusively on winegrowing, drawing on a wealth of experience that has been passed down from generation to generation.

TASTING NOTES

Slightly fresh and spicy nose over white pepper, with green beans, pome fruit, mineral, chalky tactile sensation; very light and straight, citrus, subtly juicy, some pome fruit, long finish, summer wine.

PRODUCT NOTES

In the mouth, it awakens memories of vacation lightsome: a mountain lake, juicy meadows, fresh air from above. The wine intensifies the enjoyment of fish, poultry and vegetarian dishes. It also knows how to accentuate a good conversation between friends. Pure and honest, it brings the taste of Austria in the glass.
