ABOUT THIS WINERY

At present, our winery has its own vineyards of 190 hectares. Of which 140 are red varieties and the rest white. Doroteo Navarro's double condition as winegrower and winemaker has meant that its own vineyards have been the basis for achieving the quality of its wines.

TASTING NOTES

Cherry red with violet undertones. Fruity aromas (strawberry, cherry, and redcurrant) give this wine its sweet and soft overtones to which the aromatic notes of vanilla, soft spices and balsamic are added. On the palate it is long and lingering, with a perfect balance.

PRODUCTION NOTES

This fantastic Spanish wine is harvested from old vines, grown at 650 m above sea level. They always grow close to the ground without any trellising and are harvested by hand to ensure the highest quality. The wine is at least in its third year, aged for 6 months in American and French oak barrels, followed by further aging in the bottle.
