ABOUT THIS WINERY

The Bousquet family hail from the city of Carcassonne, in the South of France and have 4 generations of history in the winemaking tradition. Our passion is to produce wines of superior quality and this is what lead us to Argentina to begin a new chapter. We are dedicated to farming organically while improving our land's biodiversity. We believe that the healthier the vineyard, the better the fruit and, of course, the wine.

TASTING NOTES

Displaying aromas of berries and cassis and crisp acidity, this Reserve Cabernet Sauvignon is silky with a touch of French elegance and just a slight oak influence.
