### ABOUT THIS WINERY

Our 146 hectare estate originally formed part of "Constantia", a vast property established in 1685 by Simon van der Stel, the first governor of the Cape. This particular valley was chosen not only for its beauty, but also for the decomposed granite soils on its slopes, gently cooled by ocean breezes.

### TASTING NOTES

Pure gold in colour. The nose presents an enticing encounter, followed by precise yet delicate aromas of white flowers, ripe citrus and touch of rosewater and almonds. The palate is in perfect harmony with a luscious mouthfeel. Flavours of creamy stone fruit, litchi, citrus zest and a lively spice abound creating an ideal balance. It concludes with a vibrant yet complex long finish.

### PRODUCT NOTES

The combination of residual sugar and alcohol levels has a well known preservative effect on bottled wine. This wine is capable of ageing for many decades if not generations from release.

### PRODUCTION NOTES

The approach used to create Vin de Constance is unique to Klein Constantia, tailored from historic information used to make the iconic sweet wines of Constantia in the 1700's. From these records we have recreated a style of
