ABOUT THIS WINERY

At Moselland quality begins right in the vineyard. Our wine-growers are experts in vineyard management, from planting to harvesting, thus they produce grapes of the highest quality which are delivered to our pressing and collection stations right next to the vineyards. Here our highly-qualified staff take over the vinification process using the most up-to-date equipment.

TASTING NOTES

This is a crisp Pinot Gris with flowery aromas and a palate of ripe apricots and pears. It provides a great and refreshing taste experience. A food friendly wine asking for light dishes, for example fish and seafood or pasta. Serve well chilled.

PRODUCTION NOTES

Gentle pressing, strict purification of musts, fermentation with selected yeasts under temperature controlled conditions, storage in stainless steel tanks until bottling.
