ABOUT THIS WINERY

Dereszla is among the wineries with the greatest history in the Tokaj Wine Region, and the history of Hungary can be followed with the history of the cellar.

The soils of the Tokaj Wine Region, the microclimate, the several-century expertise, traditional and modern methods and technology, and the unique composition of varieties are the secret of the diversity of our wines.

TASTING NOTES

Elegant with mild acidity and spicy taste. The Kabar B and part of the Furmint have been aged in oak barrels, which gives the wine a round and serious character. The Muscat and Furmint give fresh and crispy notes.

PRODUCTION NOTES

Ageing on lees in stainless steel tanks for 2 months after fermentation.
