TASTING NOTES

It has an important structure reminiscent of ripe apricots and medlar but also a Mediterranean balsamic that envelops the palate. Determined and welcoming, clean mouthfeel and bright finish. Perfect amber glow stick hue that will be a feast for eyes and palate.

PRODUCTION NOTES

Spontaneous fermentation with long maceration on the skins of 15 days in opened vats, with manual breaking of the hat, not filtered and no temperature control. Aging 6 months in steel tanks.
